OVER THE FENCE Just heard that Alexander keeps his Flower Shop open all day, every day of the week. If his exhibition of cut flowers this year is half as good as last year's, lots of folks

are going to get the thrill of their lives. If you see it you're sure to say it's the biggest sight on the Cape Road.

Did you know there is a special knife made to separate Dahlia tubers? That's so and Alexander sells them for 75c each.

Yes, our Dahlias were exceptionally fine last year and it's entirely due to the kind of fertilizer we used. You know Alexander sells his Special Bulb Food and it's cheap—only \$1.00 for 25 pounds.
